GRADUATE MEDICAL EDUCATION
Policy

TITLE: Program Expansion Policy

PURPOSE: To establish a procedure by which a proposal for program expansion (permanent complement increase) will be reviewed and approved by the Graduate Medical Education Committee (GMEC) and the Designated Institutional Official (DIO).

REVIEW: This policy will be reviewed every two years by the Graduate Medical Education Committee (GMEC).

POLICY STATEMENT: A clinical department with an existing graduate medical education training program that seeks to expand shall follow the procedure outlined below:

1. Discussion regarding the expansion of an existing program shall begin in the clinical department and there should be full faculty support for the proposed expansion.
2. Consultation with the Associate Dean for Graduate Medical Education/DIO is required.
3. The GME Program Expansion Request Form must be completed and submitted to the Office of Graduate Medical Education for review and approval by the Graduate Medical Education Committee (GMEC).
 - a. An educational rationale must exist to justify the expansion request.
 - b. The appropriate financial and infrastructure resources must be in place in concordance with the request for expansion.
4. The Program Director shall present the Request to the GMEC for approval.
5. The Program Director may fill out the request to increase the resident complement in ACGME via WebADS.
6. The request will be forwarded to the DIO for approval.
7. The request will be submitted to the respective residency review committee via ACGME for review and final decision.

Note: Temporary complement increase requests do not require GMEC approval and can be completed directly in WebADS for DIO review, decision, and submission via ACGME
